**COMPETITION FOR THE POSITION OF ASSISTANT PROFESSOR IN THE
DEPARTMENT OF GEOENVIRONMENTAL RESEARCH**

Stanisław Leszczycki Institute of Geography and Spatial Organization Polish Academy of Sciences is looking for a candidate for the position of assistant professor in the Department of Geoenvironmental Research. The candidate should meet the following requirements:

- a PhD degree in the discipline of Earth and environmental science;
- documented scientific achievements in the field of Earth and environmental science, with a focus on research in the field of fluvial geomorphology, including at least 10 publications from the JCR list;
- experience in organizing geomorphology and hydrology field research;
- experience in sedimentology laboratory research and interpretation of research results using specialized equipment;
- experience in project management or documented participation in research projects obtained through national or international competitions;
- active participation in national and international scientific conferences;
- at least good knowledge of English and Polish in speech and writing;
- experience in using computer programs (GIS, hydrology and hydraulic modelling, vector graphics).

APPLICATION FOR PARTICIPATION IN THE COMPETITION SHOULD INCLUDE:

- application for employment addressed to the director of the Institute
- Curriculum Vitae
- information on scientific achievements with a list of publications
- a copy of the PhD's diploma or another document confirming the PhD's degree in Earth and environmental science

APPLICATIONS TO THE COMPETITION should be sent by May 31, 2023, to the following address: Secretariat of the S. Leszczycki Institute of Geography and Spatial Planning of the Polish Academy of Sciences 51/55 Twarda St., 00-818 WARSAW with the annotation "Competition for the position of Assistant professor"; e-mail: igipzpan@twarda.pan.pl

The possibility of an interview with the candidates is assumed.
